The Facts and Figures of Our

Great Inaugural Piano Club.

LEADING FEATURES OF THE CLUB

By Reading These Paragraphs You Can Join the Club Intelligently.

- I The Club is composed of 500 members.
- The value of the Club piano is \$350. The price to Club members is \$263.
- There are no extras of any kind added to the price.
- Terms are \$5 entrance fee, which is credited to your account when you join. Then \$1.50
- 6 The piano is delivered to you when you join. You don't have to wait till the Club is filled.
- 7 Every instrument is guaranteed without reserve for Five Years; a guarantee as strong as
- 8 If after 30 days' trial the piano is not satisfactory, we will give you your money back. 9 After the 30 days the Club member has the balance of one year in which to satisfy himself as to the character of the piano. If he is not then satisfied with it he has the privilege of exchanging it WITHOUT ONE PENNY'S LOSS for any other instrument on our floors of equal or greater value. Every cent paid by Club member on the Club piano will be applied to the new piano selected.
- 10 If a Club member dies before completing payment for the piano W. F. FREDERICK PIANO CO. will immediately send a receipt in full to the family.
- II A book of Rebate-Coupons (like a bond) is given to each member. 172 Coupons, covering the 172 weekly payments. Each Coupon paid in advance of the terms earns a cash rebate of 25c.

HIS is the largest single transaction involving the retailing of pianos ever made in this country. This is the largest Piano Club ever formed, for it must be borne in mind that while the Washington Frederick Piano Club will consist of 500 members, this Company is forming THREE such Clubs -Pittsburg having been completed with 500 members and Cleveland Frederick Club to follow us with 500 members. Think of it-1,500 Frederick Club members. 1,500 pianos—as many as most piano factories make in a year.

THE FREDERICK CLUB PIANO is a good piano. Dependable—trustworthy-worthy of a place in any man's home. It is a 350-dollar piano and is worth 350 dollars measured by usual retailing standards. Not only is it worth 350 dollars, but it sells for 350 dollars in hundreds of piano stores all over the

And we are selling them cheap.

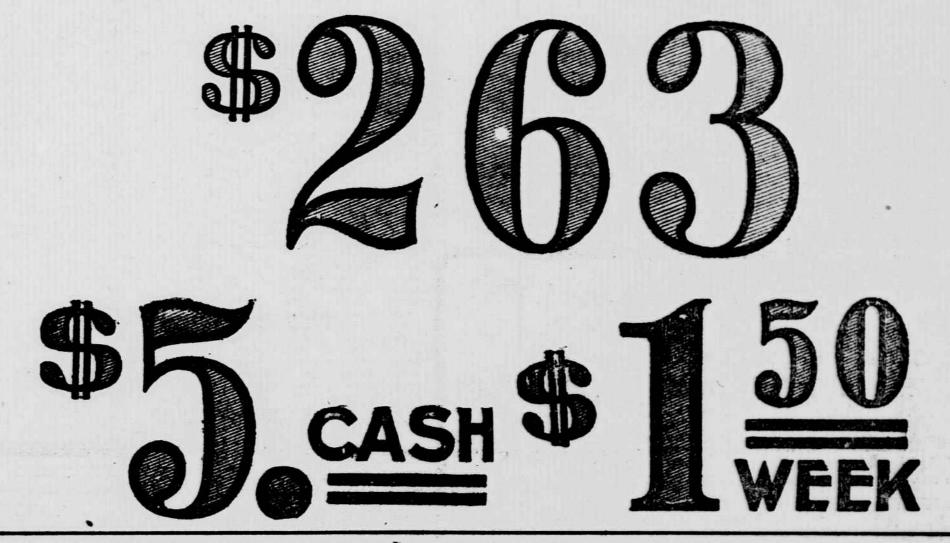

Club Members get this piano for 263 dollars.

It is our fall's work to sell these pianos. Not our exclusive work, however. Selling these 500 Club pianos is our fall's task in addition to our regular day-to-day piano business of selling the KNABE, HARDMAN and other pianos.

To facilitate this work we hit upon forming this gigantic Club. A Piano Club of 500 members, each and every one of whom will enjoy precisely the same advantages and privileges.

Such a gigantic work means many economies. It means the saving of the selling expenses; a saving of the freight and cartage expenses; but most of all it means a saving in the initial cost of the piano to us. Buying 1,500 pianos at one shot and for spot cash gets us a cost price far below the ordinary. The Club idea is in the concrete to give Club members the benefit of these great economies. Each FREDERICK CLUB MEMBER saves in buying one piano what we are able to save on each piano by buying 1,500 at one clip and marketing them quickly.

So taking all these things into account it means an enormous saving to the individual buyer or Club Member.

Put your darning basket away in the closet-you won't need it for six months when you buy the first box of Holeproof Hosiery. Darning is now almost a thing of the past. For with every box of "Holeproof" we give a written guarantee to replace any pair that needs darning in six months. Instead of taking out your darning basket you merely take out a coupon and get a new pair of hose free-isn't that simple, to replace one pair or all as the case may be?

The makers pay 63 cents a pound for the finest Egyptian and Sea Island Cotton. Common hose is often made from cotton at 12 cents a pound. Yet the common hose sells for the same price as "Holeproof."

"Holeproof" uses 3-ply in the body and 6-ply in the heels, toes and knees. Ordinary hose is made from 2-ply yarn throughout. You pay no more for "Holeproof," but it wears six times longer. Come in and see this hosiery. Note the style and comfort-see how light and soft it is.
